RE: META ALARM SYSTEM

Please take this letter as confirmation that every TVR manufactured from August 1999 is fitted with the Meta M99T2 alarm system.

This alarm comprises of 2 units linked together; the M99T2 alarm control unit with battery backed siren and the M36T2 immobiliser along with the M23A microwave sensor.

The M99T2 alarm system together with the M36T2 immobiliser is a Thatcham category 1 approved article if fitted by a Thatcham approved installer. This system will bring the TVR Chimaera in line with the European anti-theft regulations 95/96.

Should you require any further information, please do not hesitate to contact me on 01253 509012.

Yours faithfully

pp *K Kelly*
